

# Developing Whole School Self-Esteem

## School-based training for Primary School Staff

### THE TRAINING

This course will encourage participants to work together as a “whole school community “ and to build structures and procedures to raise self-esteem for all.

Participants will be provided with:

- An understanding of the school as a whole community
- An opportunity to explore ways to sustain self-esteem and professionalism.
- A look at the pressures that can adversely affect developing a healthy school.
- Building blocks to take away: including structures, policies, and procedures
- An understanding of environmental factors that affects our well being at work

Training methods are flexible and include group discussion, role-play, practical exercises, and formal teaching. There will be certificates and handouts for all participants.

**Total cost is £275.00 per half day training and £475 per day**
