

# Behaviour Management

## School-based training for Primary School Teaching Assistants

### THE TRAINING

Support staff play a crucial role in managing children's behaviour. This course is designed to help participants to develop confidence, and greater expertise in this important area of their work. Training methods will be flexible and include large and small group discussion, exercises and formal teaching. All participants will receive handouts and a certificate.

Aims of the training are to offer participants skills and strategies to:

- ❖ Understand why children misbehave
- ❖ Manage behaviour

**Cost is £275.00 for half day workshop.**

### LEARNING OBJECTIVES

By the end of the training, participants will have started to attain:

- ❖ External and internal factors which affect children's behaviour
- ❖ Ways to encourage acceptable behaviour, which include building relationships, praise and reward., the language of choice, using humour and labelling behaviour and not the child
- ❖ A range of strategies to manage unacceptable behaviour which include methods of challenging, assertion skills, conflict resolution, and the use of sanctions

### SHIRLEY ROSE

I am a freelance trainer working with support staff in London primary schools. I have extensive experience in teaching listening and ounselling skills to groups. I have also designed and delivered training courses in a range of child related subjects including child protection, bullying, communicating with children, working in a multicultural environment and peer support.
